HCS would like to see student enrollment grow in a healthy way! That's why we'd like to see growth from the inside, out.

WHY?

A larger student body leads to stronger programs and more opportunities for our kids!

HOW MUCH TIME DO I HAVE?

Get crackin'! This recruiting offer is only good for second semester, 2010.

HERE'S THE CHALLENGE...

We'd like to challenge you to recruit new families who have the desire for a Christ-centered education for their children. HCS will offer at least a \$500 voucher off the second semester fees (January 2010) to any new family that you bring in (student must enroll). As a thank you, HCS will offer to your family a \$500 voucher off next year's fees (2010-2011). An HCS family may choose to donate part or all of their \$500 voucher to help the new family who was recruited. Example - choose to have the new family receive a \$750 voucher and the HCS family uses their \$250 voucher for fees off of next year. It's that simple... \$1,000 in total vouchers! ***That's the \$1,000 Challenge!***

NEED IDEAS?

- Put an announcement in your church bulletin of our incentive voucher and list yourself as the contact person. HCS can even help you write the announcement!
- Invite your friends over for coffee and dessert to share the '\$1,000 Challenge' invitation. HCS has materials available for use which describes our school, in-depth.
- Have your friends call HCS for a private tour of our school.
- Give a short presentation to your church or community group - complete with an introductory CD (available through HCS) and share what makes Highland Christian a great place to be.
- Ask at the HSC office to schedule a speaker to come to your group and one can be provided. All you do is set up the date and time with your organization.
